[Verse 1]

G D Em
I close my eyes and I can see

A world that's waiting up for me

it all sounds crazy
D Em
They can say, they can say

I've lost my mind

I don't care, I don't care, so call me crazy
D Em C
We can live in a world that we design

[Chorus]

'Cause every night I lie in bed

The brightest colors fill my head

Am C
A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're
gonna make
