Heal the World by Michael Jackson

[Intro]

C Dm Em Dm

[Verse]

 C Dm
There's a place in your heart
 Em Dm
And I know that it is love
 C
And this place could be much
Dm Em Dm
Brighter than tomorrow
 C Dm
And if you really try
 Em Dm
You'll find there's no need to cry
 C
In this place you'll feel
Dm Em Dm
There's no hurt or sorrow

[Pre-Chorus]

 F Em
There are ways to get there
 F Em
If you care enough for the living
 Dm
Make a little space
G
Make a better place

[Chorus]

 C
Heal the world
 Dm
Make it a better place
 G
For you and for me

 C
And the entire human race
 Am Em
There are people dying
 F Em
If you care enough for the living
 Dm F C
Make a better place for you and for me

[Verse]

 C Dm
If you want to know why
 Em Dm
There's a love that cannot lie
 C Dm
Love is strong it only cares
 Em Dm
for joyful giving
 C Dm
If we try we shall see
 Em Dm
In this bliss we cannot feel
 C Dm
Fear or dread we stop existing
 Em Dm
And start living

[Pre-Chorus]
