

Miss Oli Ukulele

Someone You Loved by Lewis Capaldi

[Intro]

C G Am F

[Verse 1]

C G
I'm going under and this time I fear

Am F
there's no one to save me

C G
This all or nothing really got a way of
Am F
driving me crazy

C
I need somebody to heal, somebody to
G Am
know, somebody to have, somebody to
F
hold

C G
It's easy to say, but it's never the same
Am
I guess I kinda liked the way you numbed
F
all the pain

[Chorus]

C G
Now the day bleeds into nightfall
Am F
And you're not here to get me through it all
C
I let my guard down, and then you pulled
G
the rug

Am
I was getting kinda used to being
F
someone you loved

[Verse 2]

C G
I'm going under and this time I fear
Am F
there's no one to turn to
C G
This all or nothing way of lovin' got me
Am F
sleepin' without you

[Chorus]

C
I need somebody to know, somebody to
G Am
heal, somebody to have, just to know how
F
it feels
C G
It's easy to say, but it's never the same
Am
I guess I kinda liked the way you helped
F
me escaped

[Chorus]

C G
Now the day bleeds into nightfall
Am F
And you're not here to get me through it all
C
I let my guard down, and then you pulled
G
the rug
Am
I was getting kinda used to being
F
someone you loved

[Bridge]

Dm Am G
And I tend to close my eyes when it hurts
sometimes
Am Dm
I fall into your arms
Am G
I'll be safe in your sound 'til I come back
around

[Chorus]

C* G*
For now the day bleeds into nightfall
Am*
F*
And you're not here to get me through it all
C*
I let my guard down, and then you pulled
G*
the rug
Am
I was getting kinda used to being
F
someone you loved
