

## Miss Oli Ukulele

### Leaves

by Ben

#### [Intro]

G D C C 2x

#### [Verse 1]

G D  
I can think of all the times  
C  
You told me not to touch the light  
G D C  
I never thought that you would be the one  
G D  
I couldn't really justify  
C  
How you even thought it could be right  
G D C  
Cause everything we cherished is gone

#### [Pre-Chorus]

Em A D  
And in the end, can you tell me if  
Bm C  
It was worth the try, so I can decide

#### [Chorus]

G D C  
Leaves will soon grow from the bareness  
of trees  
C G D  
And all will be alright in time  
G D C  
From waves overgrown come the calmest  
of seas  
C G D  
And all will be alright in time  
Am Bm C  
Oh you never really love someone until

G D C 2x  
you learn to forgive

#### [Verse 2]

G D  
Try as hard as I might  
C  
To flee the shadows of the night  
G D C  
It haunts me and it makes me feel blue  
G D  
But how can I try to hide  
C  
When every breath and every hour  
G D C  
I still end up thinking of you

#### [Pre-Chorus]

Em A D  
And in the end, everything we have  
Bm C  
Makes it worth the fight  
C  
So I will hold on for as long

#### [Chorus]

G D  
As leaves will soon grow from the  
C  
bareness of trees  
C G D  
And all will be alright in time  
G D C  
From waves overgrown come the calmest  
of seas  
C G D  
And all will be alright in time  
Am Bm C  
Oh you never really love someone until  
F  
you learn to forgive

#### [Bridge]

F C  
I never thought that I would see the day

F C  
That I'd decide if I should leave or stay

F C  
But in the end what makes it worth the  
fights

Am Cm  
That no matter what happens we try to  
C D  
make it right

### [Chorus]

G D C  
Leaves will soon grow from the bareness  
of trees

C G D  
And all will be alright in time

G D C  
From waves overgrown come the calmest  
of seas

C G D  
And all will be alright in time

G D C  
Wounds of the past will eventually heal

C G D  
And all will be alright in time

G D C  
'Cause all of this comes with a love that is  
real

C G D  
all will be alright in time 3x

### [Chorus]

C G D  
All will be alright in time

Am Bm C  
Ohh, you never really love someone until

G D C  
You learn to forgive

G D C  
You learn to forgive

G  
Learn to forgive
